

CUBEX LTD.
PARTS BULLETIN

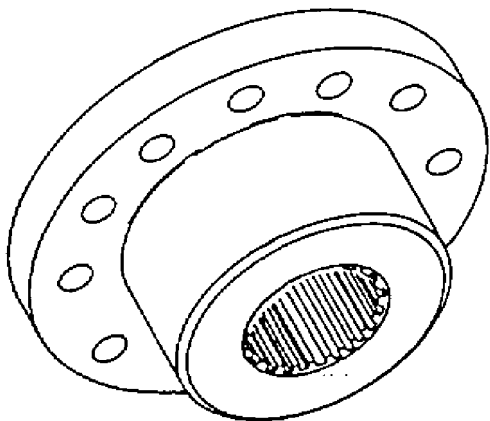

BULLETIN: PB-0009

DATE: JANUARY 23, 1992

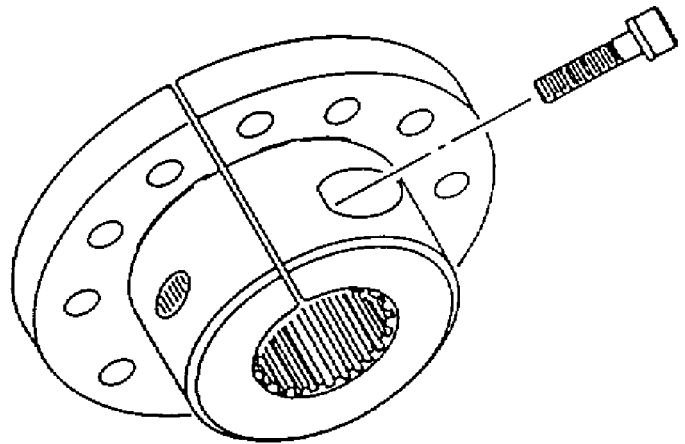

UNIT: ROTARY ACTUATOR FLANGE #CM44025

SUBJECT: NEW FLANGE USED

Cubex now uses a split flange on all current production machines. The new flange is also available as a separate part. The new flange will give better performance and longer service life. This new flange is interchangeable with former flange.
